HAMILTON & COMPANY LEASES FACILITY FOR SKILLS TRAINING

(Mobile, Ala.) February 15, 2017 – Hamilton & Company recently represented ESD School in leasing a new location in Theodore, AL. This will represent their 3rd location in Alabama, with a 4th location expected to open later in 2017. Bobby Moore with Roberts Brothers represented the property owner.

According to Lewis H. Golden, broker at Hamilton & Company, “We spent over a year working with this prospect to identify a property suitable for their growing operation. They will be a great addition to the area offering a variety of training options ranging from commercial truck driving to trade-specific welding skills.”

About Hamilton & Company

Hamilton & Company provides commercial real estate knowledge and expertise that exceeds typical brokerage services. They are in the business of listening, understanding and adding value by offering a variety of advisory services covering a number of asset classes and specialties. For more information on Hamilton & Company, visit www.hamiltonpropertyco.com or contact Lewis H. Golden at (251) 581-3733.

About ESD School

ESD School, LLC, formally E.S.D. Truck Driving School, was started in 2006 with the primary purpose of training safe, skilled workers in their selected industry. We work with individuals, companies, and government agencies to provide quality training throughout the southeast. Currently, ESD School offers courses and programs in Commercial Driver Training (Class A and B) as well as Certified Welding. ESD School, LLC is authorized by the Alabama Department of Post-Secondary Education. Current funding sources accepted by ESD School, LLC include Alabama Workforce Investment Opportunity Act for Alabama Career Centers and Jefferson County Workforce Development, Alabama

Vocational Rehabilitation Program, VA Vocational Rehabilitation Program, and VA Post 911 G.I. Bill. Additionally, at our Decatur location, we have services provided by MorphoTrust such as Transportation Worker Identification Credential (TWIC CARD), HazMat Fingerprinting and Background Verification, and TSA Pre-Check. For more information on ESD School visit www.esdschool.com.
